

## ABOUT the PAD PRINTING USER COURSE 2017

### General Information:

Our course tutor covers all aspects of the pad printing process as well as any problems you might encounter. Short lectures are alternated with practical demonstrations.

The Pad Printing User Course will take place at Teca-Print AG, Bohlstrasse 17, Thayngen.

Course period is from 09.00 a.m. to 04.00 p.m.

From approx. 12.00 a.m. to 01.00 p.m. we will have lunch together at a restaurant.

The number of participants per course is limited of 10 persons.

### Course costs/charge:

one participant per company: CHF 600,00

two participants per company: CHF 550,00 per person

three or more participants per company: CHF 500,00 per person

Prices are including lunch and course documents (excl. VAT).

You will receive the invoice together with the confirmation of course registration.

The invoice is due for payment immediately.

If you won't be able to participate the course (e. g. because of illness) we will change the reservation for the next available course.

A refund of the course fee is not possible.

An insurance is not included with the course fee.
